

DI's Risk Management Forening | **DARIM**

The Risk Management Society of the Confederation of Danish Industry

Chairman of the DARIM board

Charlotte Enggaard,
Risk Management Director,
Carlsberg Breweries A/S

DARIM was founded in 1987

- DARIM members are risk professionals working for their companies *) with either insurance, risk management, enterprise risk management or as a lawyers responsible for insurance or risk.
- DARIM members cover a wide range of businesses – the majority being larger organisations operating on a global level.
 - e.g. within wind power, pharma, shipping, clothing, public transportation, aviation, food, processing industry, IT, facility service, security, jewellery, engineering, publishing etc.
- DARIM members use the association to obtain new and strengthen current professional knowledge, to share and discuss experiences with co-members and to build and strengthen their professional network.
- DARIM is supported by a Coordinator/Secretary for DARIM employed by DI, but in part paid by DARIM. She is coordinating meeting invitations, board meetings, minutes, annual accounts etc.
- Two membership categories (DI and Non-DI members) fee EUR 540/800 per year

*) No insurance companies, brokers, consultants, auditors or legal companies

- **76 active risk managers** are members (Risk-Manager-Only)
- The **DARIM Board consists of 8 members** (incl. DI representatives (DI= Confederation of Danish Industry))
- 1 active member on the **FERMA Board** (Charlotte H. Hancke, previously also Helle Friberg) + active participation in FERMA expert groups and conferences by members
- We collaborate with **4 Partners** chosen from insurance companies, brokers, consultants with focus on expertise, international capabilities and willingness to share practices and models (not sales/marketing)
- **4 member's meetings per year** (1½ day seminar every second year)
- with an average of 48 participating members during the last year (not including speakers)
- Election of the Danish "**Risk Manager of the Year**"
- Numerous out-of-meeting working groups on specific topics – results presented and shared with all of DARIM (e.g. claims, rimap[®] exam study group, Group working on claims reporting requirement etc.)
- After-work meetings and workshops at partners and other stakeholders

Overall structure of member's meetings:

- Topics adjusted to member input/questionnaire and 'hot topics'
- Held as a combination of presentations, discussions, knowledge-sharing and workshops
- Presentations are held by external (national and international) speakers/experts from DARIM partners or subject matter experts and DARIM members
- Most meetings contain of both plenum sessions and parallel break out sessions, subdivided in Insurance and ERM tracks (in order to accommodate the professional interests of all members)
- Meetings focus on knowledge sharing, discussions and networking among the members
- To encourage open knowledge sharing and successful discussions everything shared by members are considered confidential
- Meetings take place in DI (Rådhuspladsen, Copenhagen) or at member companies or conference center for seminars (Fyn)
