FINNRIMA PRESENTS

ERM DAY 2026

ERM MEETS RESILIENCE

23 SEPTEMBER 2026

FINLANDIA HALL · HELSINKI

WELCOME

ERM Day 2026 – ERM MEETS RESILIENCE

DATE

Wed 23.9.2026

TIME

08:30-18:00

VENUE

Finlandia Hall

ERM Day 2026 brings Finland's risk management community together for a full day of practical discussion on how organizations can remain capable, adaptive, and decisive in an increasingly uncertain operating environment.

TODAY'S PERSPECTIVES

DIGITAL SOVEREIGNTY

- Europe's digital future, security and resilience

GOVERNANCE

- The board's role during continuous disruption

SECURITY OF SUPPLY

- Cross-sector collaboration for a crisis-resilient society

HUMAN PERFORMANCE

- Sustaining capability and decisions under pressure

RISK AND CRISIS MANAGEMENT

- Modern GRC and lessons from Ukraine

Seven keynotes, shared experience, and time to connect with peers.

MEET THE SPEAKERS

Perspectives on resilience

KEYNOTE 1 · 09:15

Aura Salla

Member of the European Parliament

Europe's digital future: sovereignty, security and resilience

Aura Salla has worked in the Finnish Parliament, at Meta's Brussels office and in the European Commission. She holds a PhD in Political Science from the University of Turku and currently serves as Rapporteur for the Digital Omnibus and the Defense Readiness Omnibus.

KEYNOTE 2 · 10:00

Ulrich Adamheit

Vice President, FERMA; Chair, FERMA ERM Committee;
Head of Risk Management, AB Electrolux

Turning risk into organizational value

Ulrich Adamheit has more than 22 years of experience across consumer goods and energy. His work spans enterprise risk management, insurance and claims, loss prevention, security, strategy and sustainability. He has also advanced ERM through FERMA and SWERMA and has co-authored articles on geopolitical, climate and sustainability risks.

MEET THE SPEAKERS

Perspectives on resilience

FERMA GREETING · 10:00

Laurent Nihoul
CEO, FERMA

Greetings from FERMA

Laurent Nihoul is the CEO of FERMA, the Federation of European Risk Management Associations. He has nearly 30 years of experience in risk and insurance and previously served as Group Head of Insurance at ArcelorMittal for 12 years. A recognised thought leader in captive insurance, he chaired FERMA's Captive Committee for nine years.

KEYNOTE 3 · 11:15

Hanna Kivelä
Managing Director, Fujitsu Finland and Estonia

From Risk Oversight to Resilience: The Board's Role in an Era of Continuous Disruption

Hanna Kivelä is part of Fujitsu's Continental European leadership team. Her earlier roles include management positions at Google and digital transformation leadership in the media sector. She also holds several board and advisory roles and promotes the resilience and renewal of Finnish business and society.

MEET THE SPEAKERS

Perspectives on resilience

KEYNOTE 4 · 12:00

Heli Tammivuori

Director, Network Cooperation Unit, National
Emergency Supply Agency (NESA)

Crisis-Resilient Society Through Cross-Sector
Collaboration

Heli Tammivuori leads and coordinates NESA's public-private network cooperation and services related to protecting critical infrastructure. She has extensive experience in strategic network leadership, communications and stakeholder engagement at both national and EU level, including previous work in the food sector.

KEYNOTE 5 · 13:45

Harri Gustafsberg

Ph.D., MSc (Security Management)

How Organizations Sustain Capability Under Pressure

Harri Gustafsberg is an expert in human performance under pressure, resilience, decision-making and leadership in high-stakes environments. He served for more than two decades in the Finnish National Police Special Intervention Unit, including ten years as an instructor and operational commander.

MEET THE SPEAKERS

Perspectives on resilience

KEYNOTE 6 · 15:15

Michael Rasmussen

GRC Analyst, GRC 20/20 Research

Risk Is Our Business: Charting Your Course in Modern Risk Management

Michael Rasmussen is an internationally recognized authority on governance, risk management and compliance. With more than 30 years of experience, he is known for developing the concept of GRC while at Forrester Research in 2002. He advises boards and executives and is a keynote speaker, author and podcast host.

KEYNOTE 7 · 16:00

Olena Boichenko

Head of Consulting, Partner, Deloitte Ukraine

Business resilience in Ukraine: Challenges and lessons learned

Olena Boichenko has more than 21 years of experience in organizational transformation, human capital, and workforce management. She advises public- and private-sector organizations on recovery, reconstruction, governance, and operational improvement, bringing a practical perspective on sustaining people, capabilities, and decision-making through profound disruption.

Finland's risk management community

SRHY

SUOMEN RISKIENHALLINTAYHDISTYS

FINNRIMA

Finnish Risk Management Association

Suomen Riskienhallintayhdistys brings together professionals, organizations, educators and authorities interested in risk management. It provides a forum for discussion and works to strengthen professional competence and risk awareness across Finnish society.

A STRONG NETWORK

Approximately 360 individual and organizational members across industry, insurance, brokerage, consulting, education and public administration.

LEARNING THROUGHOUT THE YEAR

Topical seminars, company cases and professional exchange, including three to four mini-seminars each year.

CONNECTED TO EUROPE

A member of FERMA, supporting international cooperation, education, research and the development of risk management practice.

40

YEARS OF FINNRIMA

40th-anniversary celebration in Q4 2027

OUR SPONSORS
